

CABERNET SAUVIGNON VENETO IGT

Alcohol
12.30 % Vol.

Sugar residual
4 g/l

Serving temperature
16 °C

Cabernet Sauvignon 100%

Vineyards are located in the province of Treviso, a flat area with medium-to-alluvial soils

Sylvoz e doppio capovolto with a production per hectares of 120 quintals

Harvest at the end of September

Vinification in red with maceration on the skins for 6-8 days with frequent pumping over; the temperature is close to 23-25 °C

Colour: deep ruby red with violet reflections

Perfumes: broad and characteristic fruity hints of raspberry and blackcurrant, floral notes of violet, slightly grassy nuances and subtle flavours of sweet spices and pepper

Taste: dry and savoury, full bodied, pleasantly balanced and persistent
